Why we should have a TOP seed: DePaul Girls plays one of the toughest schedules of a non-state sanctioned school. We play one of the toughest schedules in the state. At our school students go to work to help pay tuition. With that being said we never have All of our team at some games or whole games. Our 3 losses reflect not having a full team against some good competition. Last 4 Games have been rescheduled due to weather but by February this team will have over 15-18wins easily. This season we have 3 good OHSSA schools on our schedule. The current player of the year for our league (Heaven Evans) is on our team. We played the best Home School Team Program in Cincinnati twice and beat them both times. Not too many non OHSSA teams play the level of Competition our girls play consistently. Good team, winning record, and we make no excuses about who we have or not have on Game days. We believe teams who step out and play great level of competition should be rewarded.
