Why we should have a TOP seed:

We should NOT have a top seed but I would say that based on the schedule we have played with OHSAA schools (5), schools pulling from one of the largest districts in the state and an OCSAA Final 4 team (twice) from last year I would put our schedule against anyone for strength of schedule in the OCSAA. I believe we are worthy of earning a solid seed. We are an overtime loss away against an OHSAA school in the Columbus public system from being a 7 win team While having battled injury all year (8 games missing key players). We are just now getting healthy and full strength- I feel we are playing our best basketball right now. If we finish well we could be a 10 win team.

Three out of four seniors on team have OCSAA Championship experience and one senior is closing in on 1,500 career points.
