Why we should have a TOP seed: Overall When the season ends DePaul Girls would've played (9) games against teams that are OHSSA. Each year we play one of the toughest girls' basketball schedules in the city and perhaps the state for such a small school. This is a young team with no seniors and our juniors have stepped up big time. Our best player is a junior who averages over 20 Points a game no matter who the opponent is. DePaul deserves a top seed for continuing to play big schools and not just playing Teams just to have games. We're building a program the right way.
