**Why we should have a TOP seed:** We should be considered a top seed due a winning record of 11-2, Only 1 loss in league play and 1 loss in non-league play, all the while when we started out with 8 varsity players...one broke his ankle right before season started and has not returned, one transferred, and another starter got hurt during the 5<sup>th</sup> game of the season and won't return until late Jan or early Feb. By the time the tournament arrives we will be a lot healthier and a better team than we are now. Thank you. Lee Roy Young, Athletic Director.

**Why we should have a TOP seed:**

Our record shows the quality of a team we have this year. We played in a high level tournament in December and got 3rd place. We have played tough competition throughout the year and overcame sickness and injuries to players but have won the majority of our games despite all the obstacles.

Why we should have a TOP seed:

I Think we should have a top seed because we are beating teams that are ranked, we are keeping up with level Of competition as bigger schools, and we are a strong team this year.
