**Why we should have a TOP seed:**  
 Despite a 9–5 record, our girls varsity basketball team has proven it can compete at a high level, highlighted by 5 wins against strong opponents. Our losses came against tough competition and do not reflect the team’s overall resilience, and competitive consistency. The team has improved steadily throughout the season, demonstrating fundamentals, depth, and the ability to perform under pressure. Based on performance, strength of competition, and momentum, we believe our team has earned consideration for a top seed.
