Tree of Life	0-3		X	1	10/1	

Why we should have a TOP seed:

Our team has come a long way since we started on August 1st. We went from a team who barely communicated and struggled to run an offense to a team that comes back from significant deficits and works together until the score turns to 25. We have learned to play smart and capitalize on our opponent's weaknesses. These girls have figured out how to be a team and have worked hard to earn every win this season.
