Why we should have a TOP seed:

Other than our matches against Wilmington, we have won the rest of them. Even the matches against a very good Wilmington team were at least competitive. They should for sure have a higher seed than us but we should be pretty high in the region.

Why we should have a TOP seed:

Two-time defending OCSAA state champions with only one player graduated from last year's team.
The 2025 team is our strongest team yet and very few of our sets have been competitive this season.
